Five Charged In Torch Incident

Five Appomattox county white men have been charged in connection with the throwing of an incendiary device into the home of Edward Thomas Johnson, assistant principal of Carver Price High School.

Sheriff L. L. Stanley said the incident occurred at Johnson's home about 2:30 a.m. Sunday. Johnson's wife was in the bathroom when the incendiary came through the window, but she was not injured, said the sheriff, who reported that the screen had been cut.

He said no clear-cut explanation had emerged from his investigations, but he said the alleged participants are believed to have been drinking late Saturday and early Sunday.

Charged with a felony, malicious destruction by using an explosive device or substance were Emory Woods, 26, and James Wirt Doss, 25, both of Appomattox. Three men charged with aiding and abetting in the incident were Ronald Gulli, 23, Warren Eugene Gulli, 26, and James Percy Ayers, 18, all of Appomattox.

Doss was released under $5,000 bond until a preliminary hearing July 29 in Appomattox County Court. Woods, Ayers and both Gullis have been released on $2,000 bond each.

Scott described the device which was ignited and shoved through the bathroom window of the Johnson home as a stick wrapped with rags and doused in gasoline or possibly some other inflammable liquid. A paper bag had been placed over it and wire wrapped around it, the sheriff said. He added that "it was not a bomb."

Investigation, yet to be completed, was under direction of Sheriff Stanley and Deputy Sheriff H. A. White. Commonwealth's Attorney Harry Gordon Lawson also immediately entered the case.

Veteran County Clerk Resigns Position Here

CLAUDE SMITH

By Calvin Robinson

Clerk of the Circuit Court of Appomattox County, has submitted his resignation, effective as of July 15. Smith's resignation was motivated by reasons of health and came with four years remaining in his current term of office. The resignation was submitted to Circuit Court Judge George F. Abbitt.

Mr. Smith was born in Fredrick County, Maryland, son of the late Mr. and Mrs. M. C. Smith. The family moved to Appomattox in 1907. He began his distinguished service in the Clerk's office Feb. 8, 1908, as a Deputy Clerk under the late John Rolfe Horsley. He became Clerk in 1919 and was elected to that Office in the fall of that year, and was re-elected, without opposition in the county elections of 1927, 1935, 1943, 1951 and 1959. This is thought to be a record for the State and indicative of the high respect and esteem in which he is held and reflects tribute to the efficiency and high quality of public service rendered.

Since its establishment in 1845, Appomattox County has had six County Clerks: John T. Bocock, Henry F. Bocock, Geo. T. Peers, George W. Abbitt, John Rolfe Horsley and Mr. Smith.

In addition to his career as Clerk, Mr. Smith has been most active in community, county and church affairs. He was one of the organizers of the Appomattox Light & Power Company in 1922. He wrote the Charter for the Town of Appomattox when it was incorporated in 1925. He has served as Vice-President and Chairman of the Board of The Bank of Appomattox. He has served as Chairman of the Official Board of Memorial Methodist Church for 14 years served as Church Treasurer for 30 years, Superintendent of the Church School for 42 years and as a member of Monroe Lodge 301 AF & AM, Woodmen of the World and Appomattox Lions Club. In October of 1915, he was married to Miss Lucye Cabell Foster, who is an outstanding leader in local civic and church affairs.

On the occasion of the Centennial of the forming of Appomattox County in 1945, Mr. Smith wrote a splendid history of the county, which was widely distributed in booklet form. Despite the press of his many duties, he has found time for his favorite hobby, that of gardening, and his flower garden has been a showplace of the community. In World War II he served on the Appomattox Selective Service Board and through the years, whenever the community and county needed the services of this modest and capable leader, he has assumed assignments of responsibility.
